

The background of the slide features a large, light gray watermark of the University of Granada seal. The seal is circular, with the text 'UNIVERSITAS GRANATAE' around the top and '1531' at the bottom. In the center is a shield supported by two eagles, topped with a crown. The shield is divided into four quadrants with various symbols. The words 'PLUS' and 'ULTRA' are on either side of the shield, and wavy lines are at the bottom.
